50 YEARS
CELEBRATING 50 GOLDEN YEARS

The way that the Class of 2021 is saying goodbye is different than normal, but we are navigating through this together!

Graduations and Valedictories add a layer of excitement and celebration, as hundreds of students prepare to take what they have learned the past few years and go off into the world. So what is the best way to make the most of changed conditions and still continue to celebrate? With food, drink and sweet delightful surprises.

Along with the main GRADUATION CEREMONIES come a lot of behind the scenes planning, setup and work. We're here to help with all things catering and all the details for celebrating. We are customizing your special school or uni event.

FOR ALL THE SMART

Cookies

Bespoke Artisan vanilla sugar cookies, unique and made to order!

These delicious sugar cookies are the perfect addition to a graduation, end of year school event or just any reason to celebrate! Leave it to Doltone House to arrange the detail and have them delivered to your door.

A standard cookie is round, 7.5cm in diameter, and are topped with fondant icing. Each cookie can be customised by saying, colour and additions such as metallic leaf or sprinkles. We are very adaptable so please contact us if you have any specific requests.

All cookies are made with the highest quality ingredients to ensure the taste is flavoursome and consistent and will stay fresh for up to 2 months.

Each cookie is individually wrapped in a sealed plastic bag.
