“

Every year the staff at Doltone House go above and beyond to make our event a huge success. Even this year with additional restrictions, the service we received both before the event and during was amazing. During the planning stage, both Trey and Rachel answered numerous queries in relation to restrictions etc. to ensure we were fully informed. On the evening Aneesh and Aaron (along with the rest of the staff) were amazing. Thank you again - see you next year

“

Planning this huge event for my daughter Year 10 formal was bigger than I originally expected; however, from the time I booked to the actual evening of the formal I was put at ease by all staff who I dealt with along the way. Communication via phone, email and in person was exemplary and I was impressed by the level of professionalism with everybody I dealt with. Thank you for making this experience smooth. You never know, I might just put my hand up to organise the Year 12 Formal.

"The level of service is exceptional. Claudia our event manager was amazing, patient and flexible- every problem had a solution. I would recommend your company purely on her attention to detail... but then to add to this excellent was your team on the night. Beyond amazing! They had to deal with angry parents and did so gracefully. Thank you for everything .
